THE NEW PRESTIGE COMFORT

**ALL DOWN SHIFT GEAR PATTERN!**

## SPECIAL FEATURES

Yamaha YB125Z's attractive new graphics add a beautiful touch to your riding experience!

Experience a ride that's smoother than ever, with the comfort of changing gears the way you want to.

Start your motorcycle with the simple push of a button! The YB125Z's Electric Starter lets you start your Yamaha motorcycle without hassle, mainly during pillion riding & in dense traffic.

No matter how long the journey, the YB125Z's Engine Balancer with five-speed transmission keeps vibrations at a minimum so you can enjoy a comfortable, smooth ride!

Stay constantly updated with the status of your bike throughout your ride with the easy-to-read Speedometer, as well as Gear Indication, Fuel Gauge & Trip Meter!

Ride your Yamaha through the night or under foggy conditions with ease! Brighten up the roads on your journey with the YB125Z's powerful Halogen Headlight.

As the ideal motorcycle for family use, the YB125Z makes enough space for comfortable pillion riding with its 645 mm long seat & ample width, while also reducing shocks sent from rough roads!

Whether it's your daily commute or a trip with your family, the Adjustable Rear Suspension on the YB125Z gives you a smooth ride, throughout your journey!

### Yamaha YB125Z

A road companion that puts your comfort above all – the YB125Z serves as the perfect choice for a smoother ride, wherever you go! Good-looks with attractive new graphics and the convenience of the All Down Shift Gear Pattern, along with the ideal body size & other features work together in the Yamaha YB125Z to give you the perfect riding experience – whether it's for family use in the city or on long journeys.
